

HATTON BOXING PRO LEATHER VELCRO GLOVES

Hatton Boxing Pro Leather Velcro Gloves is part of the Hatton Pro range come to the market with some excellent pedigree. They have been manufactured to a very high quality and provide a quality hide leather outer layer. Inside you get a injection moulded fist design which helps you to form a proper fist for punching. This ensures that not only do you get a more comfortable feel, it can help prevent hand injuries. Predominantly black with white logos and flashes, you can choose from 8oz and 16oz weight.
