

SCHWINN A.C. SPORT SPIN BIKE

The Schwinn AC Sport Bike features Virtual Contact Resistance Technology – this innovative system utilizes magnets and an aluminum disk to generate a no contact heat free resistance.

These innovations mean the bike produces no noise and requires no maintenance, unlike on rival friction systems. Smart Release provides on-demand coasting which saves wear-and-tear on knees when reducing pedal rpm compared to fixed-gear-only bikes.

Get peddling with this truly innovative product!

SPECIFICATIONS

| | |
|------------------------|---|
| Weight | 52 kg |
| Dimensions | 127 × 51 × 127 cm |
| Console | Echelon 2 Console Kit (with RPM Sensor), Echelon 2 Console with Power Upgrade, No console |
| Max User Weight | 159 kg (350lb) |
| Warranty | 1 year: Labour, 10 years: Frame, 2 years: Parts, 5 years: corrosion, 6 month: wear |
| Resistance | 6-Magnet Non-Contact Magnetic Resistance |
