

WATERROWER NATURAL

Made in honey-oak, the WaterRower Natural is a bestselling product from American rowing experts WaterRower. Rowing is a brilliant cardio and strength workout and rowing machines are often some of the most used items in any gym.

Wood is an excellent material for this application due to its ability to absorb sound and vibration enhancing the WaterRower's smooth, quiet operation. The Natural, as with all WaterRowers, features patented WaterFlywheel technology, unrivalled in its replication of the resistance felt in on the water rowing.
